Now maximize your volume and press PLAY. Just listen to all the shit that the robot gives. Is that satisfying or what? Seriously though, this has been really exciting and congratulation for making it this far. We've just created a robot using API.AI that can understand and talk back to us. Last Remarks

Greetings! I would like to know where can I find the Robot Structural API Documentation (Robot Open standard). Thanks. Wagner. I edited the topic and accepted Rafal's solution for better findability. Artur Kosakowski

~~Introduction to API.AI — Chatbots Life~~

Robot Framework Documentation, Release 3.1.3.dev1 This documentation describes the public API of Robot Framework. Installation, basic usage and wealth of other topics are covered by the Robot Framework User Guide. Main API entry points are documented here, but the lower level implementation details are not always that well documented.
