Learning to Program Learning to program can be a discouraging, lonely, frustrating process, especially if you are trying to learn on your own. I went through that painful experience and don't wish it on anyone else.

Learning to Program

Author Steven Foote taught himself to program, figuring out the best ways to overcome every obstacle. Now a professional web developer, he'll help you follow in his footsteps. He teaches concepts you can use with any modern programming language, whether you want to program computers, smartphones, tablets, or even robots.
