Make your own Homemade Cosmetics and Beauty Products with ...

There is a lot of variation in this recipe... creating homemade makeup is more of an art than a science and your exact color and base combinations will depend on the amount of coverage and color you want. Zinc oxide as a base will create a makeup very similar to store bought mineral makeups and adding mica powder will give skin a natural ...

All Natural Homemade Eyeshadow Recipe

In some recipes on how to make your own beauty products herbal infusions are mentioned. To make a herbal infusion: Take a handful of your fresh, favorite herbs or a tablespoon of dried herbs and pour 250 ml of boiling water over them. Cover and let stand for 20 minutes. Strain and it is ready for use.
