Making Movies by Sidney Lumet Summary and Notes. How great to have an entire book written by a great director. Of course a lot of great information here. I need to see some of these movies I haven't yet seen that he talks about. He seemed a little bitter in the end, but he had the right. Big key take away, always be making stuff.

~~Making Movies — Summary and Notes | Steven Farmer~~

Making movies may be "hard work," as the veteran director continually reminds us throughout this slight volume, but Lumet's simple-minded writing doesn't make much of a case for that or for anything else. Casual to a fault and full of movie-reviewer clichés, Lumet's breezy how-to will be of little interest to serious film students, who will find his observations obvious and silly ("Acting ...
