Grebook

Over time, repeat exposure to language makes it easier to spell. Reading helps with this. Writing activities also automatize the process. In particular, learning how to touch-type turns spelling into a letter sequence executed by the muscles in the hand.

9 Tips for developing spelling skills

Download Ebook Master Skills Spelling And Writing Grade 6

Greenbook

Writing is inseparable from two other skills, reading and spelling. Spelling helps you to see the patterns in our language, to see how words are really built. That means good spellers usually become faster, more fluent readers, too. So if you don't think spelling is glamorous, remember this. Hollywood loves a quick study.
