Mastering Multiple Choice | Arch Exam Academy

Multiple choice examiners love to include two answers that might seem right, but one is a “better” answer than the other. This is particularly true when the question asks you to select the strongest argument or the best defense, etc. In a similar vein, you may see answers that are right for the wrong reason.

8 Tricks to Mastering Multiple Choice - Law School Toolbox®

For multiple choice exams, avoid bubbling in your scantron just before the end of the exam. You will find yourself rushing to finish, and will likely make careless transfer errors. A better idea is that once you reach the end of a page, transfer the answers
