(PDF) Introduction to Robotics, class notes (UG level)

If you mostly want to work on the actual mechanics of the robot, go with mechanical. From my experience, you will be doing mechanics in electrical engineering curriculum and electrical stuff in mechanical engineering curriculum but you will have to eventually decide on what you really want to focus on.

Mechanical Engineering Industrial Robotics Notes

This section contains lecture notes for the course in the form of chapters. ... Courses » Mechanical Engineering ... The lecture notes for this class are in the form of chapters from a possible future edition of Professor Asada's robotics textbook. ...
