I just bought my first MacBook Air. Did I make a mistake? I've always bought MacBook Pros in the past. I currently have a 2013 MacBook Pro that's starting to give out on me. I'm on a much tighter budget now than I have been, and in purchasing a new laptop, I tried to be honest about how I actually use it, and I went for an Air. ...

My local Best Buy has begun their Black Friday sale early, this morning I found that the new MacBook Air is \$200 off. I gave in to temptation and bought one. It only has 128GB SSD, but I don't plan on using this machine to store very much and I don't usually install third-party apps unless absolutely necessary.
