My War Killing Time In

My War is the debut of a fresh and remarkable voice, and it is already being compared to the classics of youth and combat Herr's Dispatches and Heller's Catch-22. But My War is much more than a war story; it is the story of a generation caught between the hyper-reality of a technological age and an ever more complicated and dangerous world.

My War: Killing Time in Iraq by Colby Buzzell | LibraryThing

The book has three particularly appealing elements. The first is the description of the trajectory of military life. This fairly reflects my own experience as a (more or less) peacetime conscript of long periods of total boredom followed by short bursts of insanity. The second element is the way it reflects the American attitude to the Iraq war.
