One of the best ways to ace your job interview is to study the current events of the company. Knowing what the current happenings of the company are key to being able to ask pertinent questions. Doing so will also show the interviewer that you have done your homework, and also have a genuine interest in the company. 2.

Top 10 Tips to Nail that Job Interview - Undercover Recruiter

Your nail polish color (like any other “accessory”) is an extension of your overall presentation in an interview. My theory about how you present yourself for job interviews is that there is no “one size fits all” answer. The best thing to do is to take into account the industry, company, and most importantly, office environment.

What nail polish colors are appropriate for interviews ...

Okay, so the hardest part is over -- your foot is in the door, you got the interview. The date is set and you're meeting with one or more important decision-makers. Now it's time to plan your attack.

How to Nail a Job Interview in 5 Steps | HuffPost

Start by taking care of your hands. Before the big day, make sure your hands are well moisturized, your cuticles are pushed back neatly and your nails are filed smoothly. For an occasion like this, a rounded tip is probably the best nail shape. It's classic, chic and elegant, just how a good interview look should be! Then, all you have to do is choose your nail polish.

The answer is YES. Many candidates are rejected because, after the interview, the interviewers report that the candidate was nice but that he or she lacked “gravitas” (or the like). It is your job...

11 Tips For The Biglaw Interview Day | Above the Law

During your second interview, you’ll likely be free to ask more questions than you did during your first interview. That’s good, because you’ll probably think of more probing questions as you learn more about the company, employees and the job itself. As you prepare for the second interview, write down your queries as you think of them.
