The Neuromarketing International Summer Camp is an annual event organized by Ainem. Ainem is the Italian Neuromarketing Association founded by Caterina Garofalo and Francesco Gallucci to promote neuromarketing in Italy.

[Neuromarketing World Forum](#)
The combination of neuro and marketing implies the merging of two fields of study (neuroscience and marketing). The term neuromarketing cannot be attributed to a particular individual as it started appearing somewhat organically around 2002. At the time, a few U.S. companies like Brighthouse and SalesBrain became the first to offer neuromarketing research and consulting services advocating the ...

Marketing has discovered neuroscience, but the results are ...

Neuromarketing is a commercial marketing communication field that applies neuropsychology to marketing research, studying consumers' sensorimotor, cognitive, and affective response to marketing stimuli. Neuromarketing seeks to understand the rationale behind how consumers make purchasing decisions and their responses to marketing stimuli in order to apply those learnings in the marketing realm.
