## Permanent Male Chastity Piercing

a natural move toward permanent male chastity will take place. When this threshold is reached, it may be time for male chastity piercing. Having his dick pierced will take the the concept of permanent male chastity from fantasy to reality. Although a typical male chastity device is fairly secure when fitted correctly, some men become quite ingenious when it comes to escaping from them when left alone.

## Is He Ready For a Male Chastity Piercing? - Male Chastity

...

While chastity piercings can be fairly effective, there is no type of piercing which will permanently prevent a man from touching or playing with his cock. Male chastity is not just about preventing him from having an orgasm, but also about curbing his masturbation habits so that he can focus on other, more important tasks such as pleasing his keyholder.
