Poetry as an art form predates written text. The earliest poetry is believed to have been recited or sung, employed as a way of remembering oral history, genealogy, and law. Poetry is often closely related to musical traditions, and the earliest poetry exists in the form of hymns, and other types of song such as chants. As such poetry is a verbal art. Many of the poems surviving from the ancient world are recorded prayers, or stories about religious subject matter, but they also include historic
