Points of Interest - Red Dead Redemption 2 Wiki Guide - IGN

A point of interest (POI for short) is a term used in cartography (and therefore in reference to maps or geodatasets) for the choice to represent a particular feature using an icon that occupies a particular point. The idea is that, as opposed to linear features like roads or areas of landuse, some features might be suited to being indicated as a point in a particular context; for example, if ...
