Yamaha Musical Instrument PSR-E203 User Guide ...

3 user reviews on Yamaha PSR-E203. I really like the psr e203 a lot, it is a great arranger keyboard. It is made for a beginner and you can learn to play the keys with this board. there are so many cool features with this board you will be surprised, but I will say its not up to date with sounds and ready for today's music. that's why I feel its more a beginner board.

The PSR-E203/YPT-200 speakers are automatically shut off when a plug is inserted into this jack. The PHONES/OUTPUT jack also functions as an external output. You can connect the PHONES/OUTPUT jack to a keyboard amplifier, stereo system, mixer, tape recorder, or other line-level audio device to send the instrument's output signal to that device.
