'Public Enemies' is extremely well written, with maps of the salient areas of the USA included to show how widespread the gangs roamed over the American landscape during those bloody two years. Photographs of all the gang members, and many of their accomplices are included, but in the paperback edition these are thumbnail sized only.

*Public Enemies: America's Greatest Crime Wave and the ...*

"Public enemy" is a term which was first widely used in the United States in the 1930s to describe individuals whose activities were seen as criminal and extremely damaging to society, though the phrase had been used for centuries to describe pirates, vikings, highwaymen, bandits, mobsters, and similar outlaws.
