Reading The Room Group Dynamics

Reading the Room rightly (in my view) focuses on the structures and real dynamics of whole and imperfect humans as they face everyday encounters as well as high stakes (for them) dilemmas. Digging into this work means one is committed to knowing the difference between quick fixes (so called) and developing a leadership sensibility and orientation that is more sustainable and effective over time.

Kantor Institute

His book *Reading the Room: Group Dynamics for Coaches and Leaders* (Jossey-Bass, 2012) assembles 40-plus years of organizational research and practice into a guide to conversational cues and meanings, with particular relevance for management interactions and executive teams. Kantor makes the case that being attuned to the signals of a conversational system—an approach he calls “structural dynamics”—is the first step toward becoming a far more prescient and effective leader.
