In the bowl of an electric mixer fitted with the paddle attachment, combine the sugar and oil, and beat on medium speed until well combined. Add eggs, one at a time, beating well after each addition. Add food coloring and vanilla, and beat until well combined. Add flour mixture, alternating with buttermilk, scraping the sides of the bowl with a rubber spatula as needed.

Red Velvet Chocolate Cake | Martha Stewart

A red velvet cake, to me, is more special than a regular chocolate cake. It may be due to its unique color, or to the traditional (and scrumptious) cream cheese frosting on top. It may be due to its unique color, or to the traditional (and scrumptious) cream cheese frosting on top.

Chocolate and Vanilla Red Velvet Cake on We Heart It

Historically, red velvet cake was just chocolate cake tinted red from the acid in cocoa powder, not from food coloring. Nowadays most cocoa powders are alkalized, as in stripped of acid. Look for a non-alkalized one for this old-fashioned recipe. Completing the classic look is a coat of bright white ermine frosting, cooked the old-fashioned way.
