teaching.

PALS

A running record is a record of reading behaviors that students make as they are reading. As a child reads a portion of a book, the teacher notes errors, self-corrections, rereadings, hesitations and appeals for help.

Access PDF Running Record Pals

Running records are used to collect information on young readers who are still reading aloud and working on basic skills (think: those who are at reading levels aa-J). A running record captures both how well a student reads (the number of words they read correctly) and their reading behaviors (what they say and do as they read).
