The SOE conducted many successful missions of sabotage and subversion throughout the War. Their first headline success was in June of 1941 when they blew up the Pessac power station in France. This precision mission halted all work at a vital U-boat base in Bordeaux and crippled the all-electric railways in the region.

Sabotage and subversion were the two main goals for the creation of the Special Operations Executive (SOE). British Prime Minister Winston Churchill created the SOE in July 1940 to counteract German brutality by means of sabotage and subversion. SOE sabotage campaigns intended to damage the German economy through the destruction of railroads, electrical and chemical plants.

The Special Operations Executive ( SOE) was a British World War II organisation. It was officially formed on 22 July 1940 under Minister of Economic Warfare Hugh Dalton, from the amalgamation of three existing secret organisations. Its purpose was to conduct espionage, sabotage and reconnaissance in occupied Europe (and later, also in occupied Southeast Asia) against the Axis powers, and to aid local resistance movements .
