GIAC requests that certification candidates manage their time properly and adequately prepare for exams, so that extensions and retakes are very rare events. Please note that the exam failure rate is much higher for students taking exams in the last 48 hours of their certification time window. Read More

and procedures) Just took SEC 503: Intrusion Detection In-Depth. I've never taken a SANS test before, I've always just been able to sit through training and test out.

SANS Training for CISSP Certification Exam Prep | SANS MGT414

As I mentioned in a previous post, I recently took SANS SEC 504 and have since been studying for the accompanying GIAC Certified Incident Handler (GCIH) certification. I'm happy to say that over the weekend I passed (thank you, thank you) and wanted to share my strategy on studying for GIAC certification exams.. Don't put off studying. SANS classes are intense experiences and you may feel ...

GIAC Exam Information

When people see my complex-looking system for passing these exams (I was a GIAC proctor, and now hold GCIH, GCFE, GCFA, GREM, and GPEN), they often ask me how they can better prepare for the exams. Even though most SANS courses cover this to some extent at night or on day 1, let's review some best practices for succeeding at SANS certifications.

- Take the Practice Test as you are taking an actual exam. It's just like an exam simulation, and the level of the practice test is similar to the real exam.
- I'd also recommend you to practice SANS FOR-508 Workbook to understand all the concepts in a better way. The exam is designed to test your expertise and comprehension of the material.

How To Pass SANS GIAC Certification Exams - ericooi.com

The SANS Institute is GIAC's preferred partner for exam preparation. SANS training can be taken in a classroom setting from SANS-certified instructors, self-paced over the Internet, or in mentored settings in cities around the world. Each year, SANS programs educate more than 12,000 people in the US and internationally.
