Self Selected Independent Reading Project

What is independent or self-selected reading? Self Selected Reading is a time for students to explore and read books independently at their own level. The goal of self-selected reading is to create an authentic opportunity for students to see themselves as competent and engaged readers.

"The Importance and Use of Student Self-Selected ...

Self Selected Independent Reading I think many of us can agree that reading is a huge part of a child's education. There are so many different programs out there and all have their pros and cons but the one thing I can say across the board is that allowing students to read independently MUST be included.

The Effectiveness of Independent Reading and Self-Selected ...

THE EFFECTIVENESS OF INDEPENDENT READING AND SELF-SELECTED TEXTS ON ADOLESCENT READING COMPREHENSION: A QUANTITATIVE STUDY . ABSTRACT . Striving adolescent readers often find themselves with little or no support once they enter high school. The success of independent reading programs that target students' reading levels and

MERIT 6 Self-Selected Independent Reading Policy Advanced ...

The success of independent reading programs that target students' reading levels and accommodate student interest at the elementary level is well-documented. As students progress throughout their school years, such freedom is traditionally replaced with a strict adherence to lists of canonical classics of literature, most of which are well above a struggling reader's independent reading level.

Self-selected reading | Literacy Instruction for Students ...

Independent Reading Project Choose one of the projects listed below to complete for your independent reading project. Mrs. Johnson will provide rubrics for each project. Board Game: Create a board game that includes important aspects of your novel. You must create the box, board, pieces, cards, etc.

Self Selected Independent Reading Project Rubric Newspaper

Self-selected independent reading involves a set of strategies that are learned. Development of these strategies should be one of the primary goals of a reading/language arts program. However, the skills of self-selected reading do not develop by simply offering students the books of a library and asking them to pick books.
