The series combines elements of epic fantasy and dark fantasy as it follows an elite mercenary unit called The Black Company through forty years of its approximately four hundred year history. Plot summary | edit |

Day One at the Anthropology Meetings - chronicle.com In The Goddess Chronicle, Kirino encourages the reader to see one of the keystone tales of Japanese mythology from the perspective of darkness, and the perspective of those not showered with glory, and the perspective of those left behind. Such a perspective can be upsetting and frustrating, but it's also an invitation to the reader to formulate her or his own interpretations, as well as her or his own ideas concerning the further adventures of these characters and their relevance to the ...
