The general themes of IJMDM seek to develop our understanding of organisational decision making and the technology used to support the decision process. A particular purpose is to consider management processes in international and cross-cultural contexts and to secure international inputs and comparisons.

International Journal of Management and Decision Making ...

To put it simply, a decision journal helps to refine your decision-making process as you move forward, rather than being something that helps you actually make a choice in the moment. If that seems like an unnecessary formality, I promise it's not—because it'll help you overcome something called the hindsight bias.
