~~Stereophile Guide to Home Theater Review of the ATI AT1505 Amp~~  
Stereophile Guide to Home Theater November 1998 Steven Stone RB991 & RB993 Power Amplifiers In some ways, evaluating an amplifier is simple. First, look at the technical specifications to determine the power output. Then, find its price. Next, see how many channels it has. Divide the price by the number of channels to discover the price per channel.

~~Parasound Halo A 51 Five Channel Power Amplifier-Audio Advisor~~  
STEREOPHILE GUIDE TO HOME THEATER - Although only three issues have been published thus far, the publication covers, in good detail, both mid-fi and high-end products. Anyone serious about buying a new product should check to see if the Stereophile Guide to Home Theater has reviewed it.- Price: \$19.95 per year for four issues (published quarterly).

~~Stereophile Guide to Home Theater, Vol. 4 No. 10, December~~  
The RMB-1095 is 91/2 inches high and weighs almost 100 lbs, so the best place for it is on the floor or on a dedicated amp stand. Cast-ers instead of feet at the amplifier's rear make it easier to move around than other amplifiers of comparable weight.

~~Stereophile Guide to Home Theater November 1998 Steven~~  
Editor's Note: 24 years ago, in January 1995, we published the first issue of Stereophile Guide to Home Theater, a sister publication intended to appeal to the the growing number of home-theater enthusiasts. Stereophile's founder, the late J. Gordon Holt, had gotten early into the idea of accompanying movies with high-quality sound, and when I first visited his New Mexico home in January 1986, his system included an Advent NTSC-format video projector.

According to Stereophile Guide to Home Theater, "When Velodyne announces a new subwoofer, the earth trembles --- literally." Concepts and Benefits

~~Audiophile and Home Theater Publications in the USA~~  
Page 1 "How do they get this kind of bass out of such a tiny box? Deep, tight, tuneful and loud enough to rattle pictures on the wall---this is serious subwoofering."-Robert Deutsch Stereophile Guide to Home Theater/September 1998 Velodyne Acoustics, Inc. 1070 Commercial St. Suite #101 San Jose, CA 95112 408.436.7270 voice 408.436.7276 fax Web Site: www.velodyne.com...

~~rotel.com~~  
Stereophile belatedly started a video-related magazine in 1994, Stereophile Guide to Home Theater, which continues on-line as Ultimate AV. . Holt occasionally wrote reviews for both Stereophile and Absolute Sound in the 1990s, and was a frequent visitor to the annual Consumer Electronic Shows throughout the decade.

~~Stereophile Guide to Home Theater hatches a website~~  
Build the Right Home Theater System and Reap the Many Benefits . If you have always wondered if building your own home theater entertainment system was the right choice for you, the chances are good that it is and that you should. It may help you to consider some of the many benefits that other bold home theater owners enjoy regularly.

~~J. Gordon Holt---Wikipedia~~  
--- Stereophile Guide to Home Theater "...VTF-3 is the current champ of the low-priced super subwoofer class." --- Howard Ferstler, The Audiophile Voice, October 2002 "...in Maximum Output mode...the response stayed flat between 20 and 26 Hz, with no indication of a rolloff at 20 Hz, and less overall frequency-response variation from 20 to 100 Hz."

~~Stereophile Guide to Home Theater---How is Stereophile~~  
Just received two issues of "Home Theater" in the mail, announcing that they were in lieu of my remaining subscription, since the publication has folded. Yes, I know it went more than a bit beyond Stereophile's intended market, and it wasn't perfect, but it was the best available option. It will be ...

~~Stereophile Guide to Home Theater March/April 1999 #23 Vol~~  
Stereophile Guide to Home Theater by Fred Manteghian. In custom installations where reaching for the amp's power switch might ruin the mood, you could always rig up something using both the DB25 and individual interconnects, as long as your processor offers some kind of 12 VDC control signal for the former.

~~Stereophile Guide To Home Theater Is Gone | | Headphone~~  
Stereophile's owner, Source Interlink Media (SIM), announced today that it is merging the two most powerful print and online media brands in the home technology field, Home Theater and Sound & Vision, to create a single powerhouse consumer brand dedicated to electronic entertainment.
