was a slim volume called *The Elements of Style*, whose author was the professor himself. The year was 1919. The book was known on the campus in those days as "the little book," with the stress on the word "little." It had been privately printed by the author. (\* E. B. White wrote this introduction for the 1979 edition.)

History. Cornell University English professor William Strunk Jr. wrote *The Elements of Style* in 1918 and privately published it in 1919, for use at the university. (Harcourt republished it in 52-page format in 1920.) He and editor Edward A. Tenney later revised it for publication as *The Elements and Practice of Composition* (1935). In 1957 the style guide reached the attention of E.B. White at ...

The fourth edition of *The Elements of Style* (2000), published 54 years after Strunk's death, omits his stylistic advice about masculine pronouns: "unless the antecedent is or must be feminine". In its place, editor E. B. White [ White died 1985 ] reports: "Currently, however, many writers find the use of the generic he or his to rename indefinite antecedents limiting or offensive."
