Terms of reference of the common backstop to the Single ...

You may have heard of ToR, or Terms of Reference, and wondered how this fits into the project management process. After all, we have lots of documents already in project management, such as a project charter (or project initiation document) which seem as if they do a similar thing. For some projects, a ToR can be very useful and in this article, we will look at why.

Business Document Writing: The "Terms of Reference"

The Terms of Reference (TOR) is a description of the technical work involved in a project, or part of a project. Specifically, it is used to specify the work required by an external consultant, contractor, or supplier.
