### **The Book Of Rifle Accuracy**

Welcome to the world of extreme rifle accuracy. There is great satisfaction in watching bullet after bullet pass through the same hole in a target regardless of environmental conditions — the ultimate goal of the accuracy shooter. In this book, the author demonstrates how the reader and his equipment can perform as close to that ideal as technology will allow.

## **The Book Of Rifle Accuracy By Tony Boyer | eBay**

The In-Accurate Rifle Excluding human error, the three variables of rifle accuracy include the rifle, the ammunition used and the scope. Ammunition To clear up ammunition issues, factory ammunition usually shoots very well and is a good starting point in problem solving, especially for less experienced hand loaders.
