The Utopia Chronicles (Atopia, #3) by Matthew Mather

The second book in the bestselling Atopia series. Cast out from Atopia, Robert Baxter undertakes a globe-trotting quest to find his friend Willy's lost body, which just may hold the key to understanding the dangers facing his home...and Jimmy Scadden's role in the disasters that are spreading across the world.

The Dystopia Chronicles (Atopia, #2) by Matthew Mather This book was so engrossing, that I literally read it in one day! Yes, it's *that* good! As we move deeper into the global conflict that our pssi enhanced friends and foes have caused, the plot has some very unusual twists and turns. We have most of our old friends, and a few new ones as well.
