Background. Background speculations of overall causality vary about the political protests centering on the year 1968. Some [who?] argue that protests could be attributed to the social changes during the twenty years following the end of World War II. Many protests were a direct response to perceived injustices, such as those voiced in opposition to United States involvement

### ~~Procurement~~

The Moratorium to End the War in Vietnam was a massive demonstration and teach-in across the United States against the United States involvement in the Vietnam War. It took place on October 15, 1969, followed a month later by a large Moratorium March on Washington. Fred Halstead writes that it was "the first time [the anti-war movement] reached the level of a full-fledged mass movement."
