states that the  
"competent investor  
never stops learning."  
Yet, because the world  
of investing can be  
such a confusing place,  
it sometimes seems  
that the more you  
learn, the more  
confused you get.

Investing is really a good book that everyone should read before they begin investing. A couple parts do get a little bogged down in details, but that is pretty easy to forgive when there are so many solid words of investing advice to be found. If you have not read a serious book on investing, then you owe it to yourself to ...
