The Gridlock Economy: How Too Much Ownership Wrecks Markets, Stops Innovation and Costs Lives [1/9]

America traditional had a relatively free economy in large part because it had lower population density, and thus fewer Back Yards to be affected by new developments. The most effective way to limit gridlock is to limit the number of Back Yards by not pushing the pedal to the metal on population growth.

The Gridlock Economy - Marginal REVOLUTION

This free market paradox is at the center of Heller's new book, The Gridlock Economy: How Too Much Ownership Wrecks Markets, Stops Innovation, and Costs Lives. In this discussion, Heller will draw on everyday experiences to show how the structure of ownership matters more than people may realize.

The Gridlock Economy: How Too Much Ownership Wrecks ...

In the end, the unhealthy situation of the industry can be hardly improved by the market leaders themselves. In the business as in traffic, when gridlock happens, an industry is unable to function at a healthy level, which can be highly problematic and costly. Not only in an industry, gridlock can also happen at company level.

Gridlock (economics) - Wikipedia

In his new book *The Gridlock Economy: How Too Much Ownership Wrecks Markets, Stops Innovation, and Costs Lives*, Heller reveals a free market paradox: usually, private ownership creates wealth, but too much ownership has the opposite effect – it creates gridlock. When too many people own pieces of one thing, cooperation breaks down, wealth disappears and everybody loses.
