America. Four specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

The Making Of African America

In The Making of

Access Free The Making Of African

African America, Berlin challenges the traditional presentation of a linear, progressive history from slavery to freedom. Instead, he puts forth the idea that four great migrations, between the seventeenth and twenty-first centuries, lie at the heart of black American culture and its development.
