The New Economics: For Industry, Government, Education ...
A new edition of a book that details the system of transformation underlying the 14 Points for Management presented in Deming's Out of the Crisis. It would be better if everyone would work together as a system, with the aim for everybody to win. What we need is cooperation and transformation to a new style of management.”—from The New Economics for Industry, Government, Education In this ...

Together we can change the rules | New Economics Foundation
Origins. A 1983 cover article in Time, "The New Economy", described the transition from heavy industry to a new technology based economy. By 1997, Newsweek was referring to the "new economy" in many of its articles. After a nearly 25-year period of unprecedented growth, the United States experienced a much discussed economic slowdown beginning in 1972.
