**The Novel Of Future Anais**

In The Novel of the Future, Anaïs Nin explores the act of creation—in film, art, and dance as well as literature—to chart a new direction for the young artist struggling against what she perceived as the sterility, formlessness, and spiritual bankruptcy afflicting much of mid-twentieth-century fiction. Nin offers, instead, an argument for and synthesis of the poetic novel and discusses her own efforts in this genre as well as its influence on the development of such writers as D. H ...
