Game How The
These are improv
games in which the
audience participates
to some extent.

Evidently, in just about
any improv show we
use audience
suggestions, so to
some extent each
game should be in this
category. Instead,
we`ve listed only
improv games in which
during the game, the
audience is involved.

Building on the information developed in the previous six chapters, this chapter develops a theoretical model of international cooperation by means of the treaty instrument. The focus is on explaining why treaty participation is difficult to enforce. The theory shows that a treaty sustains cooperation by transforming the
