Laurence J. Peter. Laurence Johnston Peter (September 16, 1919 – January 12, 1990) was a Canadian educator and " hierarchiologist " best known to the general public for the formulation of the Peter principle .

The Peter Principle Laurence J

The Peter principle is a concept in management developed by Laurence J. Peter, which observes that people in a hierarchy tend to rise to their "level of incompetence". In other words, an employee is promoted based on their success in previous jobs until they reach a level at which they are no longer competent, as skills in one job do not necessarily translate to another.

The Peter Principle Hardcover – 1969 by Laurence J Peter (Author)

Laurence J. Peter | Canadian author | Britannica

The Peter Principle. As long as they're doing a good job, they're eligible for promotion. Eventually, they're promoted into a job that they're incapable of doing, and then they no longer do a good enough job to get promoted. So there they stop, in the first job that's outside their level of competence.

The Peter Principle Quotes by Laurence J. Peter

Laurence J. Peter quotes (showing 1-30 of 62) “An economist is an expert who will know tomorrow why the things he predicted yesterday didn't happen today.” “In a hierarchy, every employee tends to rise to his level of incompetence.” “If two wrongs don't make a right, try three.” “Originality is the fine art of remembering what you hear...
