How the iconic Philosopher's Stone's locations defined the ...

I know I'm nitpicking, but here goes: Let's start with Albus Dumbledore leaving baby Harry on the Dursleys' doorstep, shall we? I mean, he may be "mental", as Ron puts it, but I still find it unbelievable that anyone would just leave a child out o...

Alchemy and Immortality - The Tale of Nicolas Flamel and ...

Dennis (born c. 1980) was a Muggle and, in his youth, a member of Dudley Dursley's gang. Dennis, along with the rest of the group, was described as "big and stupid". During the summer months of 1991, Dennis would go to Dudley's house every day, along with his friends Piers Polkiss, Malcolm and Gordon. This forced Harry Potter to spend as much time as possible out of the house, as they were ...

J.K. Rowling - Harry Potter and the Philosopher's Stone ...

Harry Potter and the Philosopher's Stone 'Hate' might actually be an understatement. When Marge came to visit in Prisoner of Azkaban , we saw her treat Harry with the usual Dursley venom, which got worse in line with the volume of brandy she'd been guzzling.

The Philosopher's Stone, Translinguistic Matter, and the ...

A single philosopher's stone can turn up to 5,000 pounds of iron into silver (worth 25,000 gp), or up to 1,000 pounds of lead into gold (worth 50,000 gp). However, the quicksilver becomes unstable once the stone is opened and loses its potency within 24 hours, so all transmutations must take place within that period.
