The collection of tunes in it differs from the original Real Book, but this edition offers some of the same songs, in new transcriptions and a different notation. Some other music publishers also apply the term Real Book to their own publications — for example, the Associated Board of the Royal Schools of Music publishes The AB Real Book.

~~The Fake Book Index~~

The "Sixth Edition" (Hal Leonard) Real Books have continued the great tradition of imperfect fake books. The New Real Books (Sher Publishing) are better, but not perfect either. There are many more fake books available, both legal and illegal. All fake books, and even the "original" sheet music, are suspect.
