Refugee Protection: A Guide to International Refugee Law ...

This chapter examines the international law of refugee protection, focusing on the legal tools, treaties, and national laws which prescribe or implement the obligations of states to refugees, as well as the core protection functions and responsibilities of the Office of the United Nations High Commissioner for Refugees (UNHCR). It first considers the definition of refugee, persecution, and the ...

Refugee Law and Policy: Canada - Library of Congress

In the greater scheme of things, however, these are actually rather minor points. The discussion and analysis of fundamental concepts of refugee law is comprehensive and comprehensively excellent. A bewildering array of State practice and case law, both national and international (and by no means restricted to English-language cases), is deployed.

Refugee law - Wikipedia

Respect for the rule of law and human rights forms the essence of the protection of refugees, returnees and stateless persons. The Office of the United Nations High Commissioner for Refugees ...

International Refugee Law - Refworld

The core principle is non-refoulement, which asserts that a refugee should not be returned to a country where they face serious threats to their life or freedom. This is now considered a rule of customary international law. UNHCR serves as the ‘guardian’ of the 1951 Convention and its 1967 Protocol.
