In [The Shareholder Value Myth: How Putting Shareholders First Harms Investors, Corporations, and the Public](#), Lynn Stout discusses how the traditional managerial focus on the shareholder’s interest can be harmful for the corporation and even for shareholders themselves and how it is more valuable to spread the focus over several objectives.

The Shareholder Value Myth - Berrett-Koehler Publishers

Unfortunately, the modern cult of “shareholder value” privileges the interests of the shareholding subsystem over the interests of the corporate entity as a whole. The result has been an obsessive focus on raising share price in many public companies that may be threatening their ability to survive.

Amazon.com: The Shareholder Value Myth: How Putting ...

The [Shareholder Value Myth](#) concludes that the new theories of shareholder interest promise to advance our understanding of corporate purpose beyond the old, stale “shareholders-versus-stakeholders” and “shareholders-versus-society” debates. By revealing how a singled-minded focus on share price endangers the interests of many shareholders themselves, it demonstrates how the perceived gap between the interests of shareholders as a class and those of stakeholders and the broader ...

Shareholder Value Definition - investopedia.com

“Shareholder value is the dumbest idea in the world.” —Jack Welch Executives, investors, and the business press routinely chant the mantra that corporations are required to “maximize shareholder value.” In this pathbreaking book, renowned corporate expert Lynn Stout debunks the myth that corporate law mandates shareholder primacy.

The Myth Of Shareholder Value - Greg Satell - Medium

power to enrich themselves, the law gives them a wide range of discretion to run public corporations with other goals in mind, including growing the firm, creating quality prod- ucts, protecting employees, and serving the public interest. Chasing shareholder value is a managerial choice, not a le- gal requirement.

The Shareholder Value Myth | Lynn Stout, Cornell University

What is 'Shareholder Value'. Shareholder value is that delivered to shareholders of a corporation because of management's ability to increase sales, earnings and free cash flow over time, leading to the ability for companies to increase dividends and encourage capital gains for its equity owners.
