The Smelly Sprout is a fun kids' audiobook app for the iPhone and the iPod touch based on the bestselling English Christmas story of the same name. It's sweet, sad, funny and touching all at once. Kids will love this unpopular brussel sprout who is tossed out in the snow on Christmas day.

The Smelly Sprout

The Smelly Sprout is like those... a story that will have you crying at the fate of an inanimate object. I mean, let's be honest - a mobile phone doesn't know if it's lost and alone and a brussel sprout can't feel rejected, hurt and unwanted. Not that this will stop saps like me from feeling the little things using their heart strings for tug of war!

I ended up opening the windows and blowing some fans. I also have a bowl of vinegar out (gmta, jsh!). I think the smell is dissipating, thank goodness. Bagaholic, I will remember not to overcook them next time! Roasting them sounds sooo good! I don't know why people seem to hate brussels sprouts so much..they're delicious!
