Wales and Britain. Wales is fully engaged with building a British Welfare State and economy after World War II. But Welsh language campaigns from the 1960s onwards, followed by the final eclipse of a world of heavy industry in the Miners' Strike, lead to a new desire for more independence in the government of Wales.

### *Introduction*

One of the best known, and loved, folk-tales in Wales is the story of a faithful hound. The story goes that in the thirteenth-century, Prince Llywelyn the Great had a palace at Beddgelert in Caernarvonshire, and as the Prince was a keen hunter, he spent much of his time in the surrounding countryside. He had many hunting dogs, but one day when he summoned them as usual with his horn, his ...
