Listen to the discussions of Solicitor turned Fashion Blogger Louise Vance and Stylist and Creative Niamh Cunningham as they discuss the fashion industry, designers, the history and heritage and how it influences current styles and trends

The Substance of Style - Virginia Postrel - Paperback

In *Changing Minds*, the substance approach focuses on functional value creation, pointing to action rather than talk and tangible benefits before beauty. It is associated with a management style that emphasizes solid delivery, and a sales approach that majors on value-creating features rather than aesthetics.

The Substance of Style: How the Rise of Aesthetic Value Is ...

Substance over form is an accounting principle used "to ensure that financial statements give a complete, relevant, and accurate picture of transactions and events". If an entity practices the 'substance over form' concept, then the financial statements will show the overall financial reality of the entity (economic substance), rather than the legal form of transactions (form).

The Substance of Style How the Rise of Aesthetic Value Is Remaking Commerce, Culture, and Consciousness

The Substance of Style | HuffPost Life

The Substance of Style goes on to explain how the age of mass production gave way to the age of mass customization. The futurists who predicted we would all be walking around in the same monotone tunics were dead wrong.

The Substance of Style - Virginia Postrel

Nor am I equating style with beauty. In my eyes, the pursuit of beauty is a far less noble occupation than the pursuit of style -- for the former often subscribes to popular, trendy notions of appeal, whereas style can be and should be a unique expression of self.
