### ~~The Success Principles—WordPress.com~~

The more you acknowledge your past success, the more confident you become in taking on and successfully accomplishing new ones. The more self-esteem you have, the more risks you are willing to take. And the more you risk, the more you win in life. J. Canfield 2005: The Success Principles 8

### ~~The Success Principles: How to Get from Where You Are to ...~~

Success Principles . 1 - Prepare. The first success principle is preparation. It's the foundation of success. With preparation you create your own opportunities. Once you have all the different elements lined up, it only takes a small opening to realize your goal. At the same time, taking advantage of big opportunities without enough preparation means risking your success, as you're building without a well-laid foundation. 2 - Do something you love
