TSQ: Transgender Studies Quarterly offers a high-profile venue for innovative research and scholarship that contest the objectification, pathologization, and exoticization of transgender lives. It publishes interdisciplinary work that explores the diversity of gender, sex, sexuality, embodiment, and identity in ways that have not been adequately addressed by feminist and queer scholarship.

which charts an epistemological shift from a modernist view of transgender phenomena, to the postmodern "transgender studies." Stryker frames this shift as a process of (de)subjugating knowledges about and from trans people.

### **(De)subjugated Knowledges : an Introduction to Transgender ...**

Gender Studies is a form of grievance studies, producing political agitators rather than training the mind. Employing these people will only make problems for a company. Gender Studies is up there with Feminist Dance Theory for employability. I'd imagine that they may get jobs in McDonalds or the government sector, otherwise, forget it.
