### The Truth About Annuities - Great American Insurance

The Truth About Annuities by David John Marotta on December 20, 2013 with No Comments I get the impression that most financial planning articles about annuities pull their punches, hesitating to criticize the industry upon whose advertising they depend and the large portion of advisors whose livelihood depends on commissions from their sale.

### The Truth About Indexed Annuities And Market Risk

Truth: Annuities provide a built-in death benefit that is paid directly to beneficiaries without the cost and delays of probate. If you pass away before benefit payments begin, your beneficiaries will receive the greater of the account value (minus applicable rider charges, taxes and loan balances) or the guaranteed minimum surrender value.

### The Truth About Annuities The

Truth About Annuities What do we think, say, and do with our money? Too often, we base our thoughts, phrase our words, and take action based on myths that have been passed down from parent to child, financial advisor to client, real estate agent to homebuyer, car salesman or insurance agent to consumer, from colleague to colleague, neighbor to neighbor, or friend to friend.

### The Truth About Buying Annuities- A Review

indexed annuities might go down in financial history as the most over-hyped and mis-sold product ever. Unless the annuity industry and carrier stop this ongoing sales pitch, indexed annuities may become a case study at business schools everywhere on how a good product was run into the ground by an unregulated sales force.
