Serling's complete stories of The Twilight Zone is a wonderful, imaginative compilation of creative (science) fiction. The stories are descriptive, immersive and hold one's attention. Furthermore the stories provoke a reverence for an author who's body of work transcends temporal dimensionality; years later they still offer life lessons and insight that aren't bound to Serling's time period.

Quite a few, though certainly not all, fans of the original Twilight Zone series took issue with the stories, twists, and heavy themes presented in season 1, while still praising the overall style of production. Perhaps this is something that will change going into The Twilight Zone season 2, taking all the feedback into account.
