The Wolf, the Duck, and the Mouse by Mac Barnett

The Wolf, the Duck and the Mouse, is a very unusual book in which two of the characters are eaten by the third, but rather than be sad about it or die, they enjoy living inside the wolf. The illustrations by Jon Klassen suit the story perfectly with his unusual style of drawing, almost like rough sketching, or a first draft.

The Wolf, the Duck, and the Mouse: A Review

The sly duck encourages the wolf to eat a few luxuries to ease his upset stomach ("a hunk of good cheese," "a flagon of wine"). Later, when the wolf narrowly misses a hunter's bullet, the duck and the mouse decide they must suit up to defend their home; they charge out of the wolf's mouth wearing household-item armor to scare away the hunter.

The Wolf, the Duck, and the Mouse is Klassen's fourth collaboration with U.S. writer Mac Barnett, who has chosen a fairly uncommon setting for his story - an animal's stomach. The story opens with a wolf eating a mouse. Readers don't see the actual consumption, although that is the book's only instance of off-camera action.

The Wolf, the Duck, and the Mouse | Quill and Quire

The Wolf the Duck and the Mouse is a wonderful book, from an educator, a parent and a child's perspective, even if it's very different from the majority of brightly coloured children's books this is dark and a bit twisted but then so is life and this is a 'life gives you lemons' tale to build resilience and grit in the face of adversity coupled with an folkish tale of 'how the wolf got its howl' crossed with very dark humour along the lines of the
