technology, employers often say they are looking for someone who "thinks out of the box." Older, related but really different terms include blue sky, far out, and off the wall. A variation is "outside the box." As you might expect, the term "in the box" is sometimes used to describe conformal thinking.

Out of the Box Series
by Robert J. Crane

"In retail, a customer will approach you with odd requests from time to time. Recently, I had a customer insist on making a return that wasn't even from our store. They were furious that I would not take the return! It turns out; we were running a promotion where if you spent \$50, you received a \$25 in-store gift card.
